

Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

We publish our formulae. We furnish a booklet from our medicine. We urge you to consult your doctor.

If you think constipation is of trifling consequence, just ask your doctor. He will disabuse you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

Rheumatism

I have found a tried and tested cure for Rheumatism. Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn hunchbacks back to flesh again. That is impossible. But I can now surely kill the pains and ease of this terrible disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made. A perfect, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I can cure all cases of Rheumatism. Those sand-like granular wastes, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water.

And then, when dissolved, the cause of Rheumatism is gone forever. There is now no real cause to suffer longer with Rheumatism. We sell, and in confidence recommend our help.

C. M. GRAY, DAKOTA CITY, NEB.

Hard or Soft Coal,

Coke or wood, whatever fuel you use, costs money. You have to pay so much for it, whether you get all the heat out of it or not. If a stove wastes the fuel and only a part of the heat is extracted, your fuel bills are higher than they should be. It is therefore profitable for you to get a stove that will get all the heat out of the fuel and not waste it.

The "Genuine" Round Oak and the "Radiant Home" are the stoves that will do it; even the smoke they send out of the chimney is clear, showing that the gases and soot have been burned and all the heat extracted. The comfort of a stove that is everything it ought to be; that gives heat; holds the fire; that lasts and is always good and efficient, is worth almost any cost.

The Round Oak and Radiant Home are such stoves and are a source of comfort in thousands of homes, and they will prove the same in yours. There are imitations, be sure and see the names of "Round Oak" and "Radiant Home."

ANSWERS DEATH'S CALL

Another Pioneer of Dakota County Crosses the Dark River.

William Adair, a prominent resident of Dakota county, died at his home in Dakota City early Wednesday morning, November 6, 1907, after an illness of less than a week. His death resulted from a complication of diseases, which the best physicians obtainable were unable to master.

Born in Westmoreland county, Pa., April 17, 1832, his age at the time of death was 75 years, 6 months and 20 days. For more than half a century he has been a resident of Dakota county, coming here in the spring of 1856, from Grinnell, Iowa, where on November 11, 1857, he was married to Martha F. Ford, who with the following seven children survive him:

Ed. N. Adair, of Alaska; Mrs. Sarah E. Duesch, of Mapleton, Iowa; Mrs. Charles L. Culler, of Wayne, Neb.; Will R. Adair, of Omaha; Frank Adair, of Chicago; Charles W. Adair, of Sioux City; and Harry H. Adair, of Dakota City.

Mr. Adair had always been prominent in church affairs, being a member of the Methodist Episcopal church of this place, and his influence and financial aid in that organization will be missed by those who have enjoyed his companionship for all these years.

In all his career he has been a persistent worker, having served in the capacity of railway mail clerk for nearly twenty-five years, from 1881 to the spring of 1906, when he was compelled to resign on account of the severe strain to his nervous system.

He had held many important political positions, both in the county and state. In 1863 he was appointed treasurer of Dakota county to fill a vacancy, and the following year was elected for another term. He also served nine years as a member of the board of regents of the state university. He was appointed clerk at Fort Peck agency, Mont., in 1877, which position he held for three years, and returned to this place in order to be with his family.

Mr. Adair was one of the most prominent Masons in this part of the country, having been a member of Omaha lodge No. 5, A. F. & A. M. since 1864. He had filled every important office in the lodge with credit to himself and honor to the fraternity. He represented his home lodge in the grand lodge of Nebraska, and had also held several important offices in the grand lodge.

The funeral services were held from the family home Thursday afternoon at 2 o'clock, Rev. J. G. Shick, of Blair, Neb., former M. E. pastor here, conducting the services, after which the Masonic lodge took charge of the remains and conveyed them to the Dakota City cemetery, where their rustic services were held over the departed brother.

A devoted family and a host of sorrowing friends are left to mourn the taking away of one who had lived a long and useful life and one whose place in the community it would be hard to fill.
